STAR News

STAR is piloting a new way of procuring low value contracts (£25K to £50K)

- You need to register via the QR code
- Our aim is to target local to GM/LCR SMEs.
- Our partner is Nomia, who will be undertaking sourcing for us.
- So you need to be 'in it to win it'!!
- This project is supported by the Federation of Small Businesses
- GO Live – likely to be at the end of October. Press release and more information to follow.
